COMMENTS

The Notice of Allowability also includes an Examiner's Statement of Reasons for Allowance. Applicant believes the Examiner's statements are inaccurate for at least the following reasons. The Examiner's statements might be construed to imply that each of claims 5, 10, 13 and 27 recites the language set forth in the reasons for allowance, which appears to be taken from claim 1. Applicant submits that the allowed claims speak for themselves, and do not require additional clarification to determine their respective scopes.
